

Host

Co-Host

International Conference on Advanced Mechanical Engineering (ICAME 2026)

Pioneering Sustainable Solutions: The Future of Green Mechanical Engineering

CALL FOR PAPER

Topic & Scope

- Applied Mechanics & Machine Design
- Advanced Manufacturing & Industry 4.0/5.0
- Materials, Metallurgy & Surface Engineering
- Welding, Joining & Fabrication Technology
- CAD/CAM/CAE, Product Design & Development
- Thermal Engineering & Heat Transfer
- Fluid Mechanics & CFD Applications
- Energy Conversion, Renewable & Bioenergy Systems
- Mechatronics, Control & Smart Mechanical Systems
- Reliability, Maintenance & Engineering Management

Important Dates

Abstract Submission: **15 April 2026**

The Conference: **17 April 2026**

Full Paper Submission: **17 Mei 2026**
